“The children will most likely buy useless objects if the plastic is bright and colourful!”

(Fake nice person voice)

Colour:

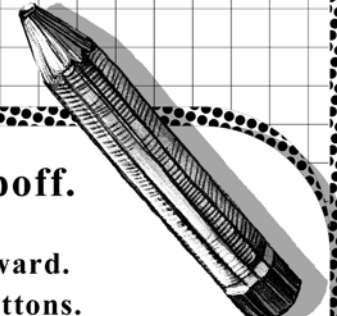

Serial Number:

Cost:

“Things to consider,” by Mr Ripoff.

- The shape is to be random and awkward.
- There should be stupid, unusable buttons.
- There could be lights for no reason.
- There has to be at least one thing, one whatsit, one dooverlacky and a silly something.
- The plastic must be non-recyclable.
- The excessive packaging is compulsory.
- This object will have no purpose whatsoever.

HOW TO DESIGN

useless objects just like
THE ALL NEW MUST HAVE

ORANGE

430
